Genesis 17:15 - 18:15

I. God's Grace Gives Position

II. God's Grace Forgives & Produces Faith

III. God's Grace Overrides Unbelief

Two questions for us to consider:

1. How have you sold God short in believing what He said He will do?
2. Do you believe God can make what is dead alive or do you make the statement; "I can't see that happening!?" How we see God can determine how we live our lives.
