## State of Bethel Church

Geoff Safford, Lead Pastor

Colossians 1:3-6

### I. Live the Gospel

---

---

---

---

---

---

---

---

### II. Love People

---

---

---

---

---

---

---

---

### III. Share Jesus

---

---

---

---

---

---

---

---

### Two questions to consider:

1. What does loving people look like in our value of gospel hospitality?
2. How can I be intentional in sharing Jesus even if I don't give the gospel "plan of salvation" to someone?
