## **Bethel Faith Family | Friends Helping Friends**

One of the many lessons that has come from the gospel of Mark is the lesson of friends helping friends. We have seen multiple times how friends come in to help those that cannot help themselves. It may be bringing a friend to let down through the roof, or it may be helping a friend that can't speak or talk. The point is that we need to help each other. This is part of what makes a community flourish. When a community flourishes, it means that needs are met, by whoever can help out. We need some friends that would be available to help out with tasks that others cannot accomplish. It might be mowing and helping with lawn care, or it might be helping with picking up groceries. Recently we needed some help with moving some furniture around. This information is getting old in our database, and we need to update our "helping friends" information. If you can help as a friend, please sign up on the connection card, and we will get your information loaded. This way, when we get a call, we can contact those friends that will lend a helping hand to help our faith family flourish! Don't forget to consider the opportunities below! Thanks so much to all our faith family!

## Bethel Bible Conference

Bethel Bible Camp is in need of some summer help. You can volunteer for one week, or for multiple weeks. Bethel is a local ministry supported by Bethel Church. We appreciate and support all that Bethel Camp brings to the spiritual growth of those that attend. Please consider volunteering and being a part of this great gospel opportunity! Below is a link to the staff application.

The following people are needed to help children come to a saving knowledge of Jesus and to help them grow in their faith through a Biblical worldview:

- 1) Dorm Leaders for all weeks.
- 2) Kitchen help
- 3) Maintenance/Ground help for the summer
- 4) Other opportunities as needed

## We are better together!

Kim is organizing the volunteers to update the berms, beds and landscaping. Please stop by her office or contact her ASAP to claim your space: 308.532.7040 / [kcarter@bethelp.org](mailto:kcarter@bethelp.org).

## Bethel Church has discontinued purchasing custom printed giving envelopes.

Less than 1/3 of giving is in custom printed envelopes that are relevant to the giver. The generic envelopes in chairs are most often used or checks are dropped in the giving box. Many of us have dropped off the custom printed envelopes, unused, in the office to recycle. Please contact the office if you would like generic envelopes provided directly to you.

# Joni & Friends Nebraska Family Retreat

## Family Retreat

*Family Retreats* are designed for families navigating the challenges of disability. Enjoy a fun, Christ-centered environment that is safe and accepting for each member of the family.

Join us for a time of rest and encouragement as you connect with other families who face similar challenges, build lasting memories, and find renewed hope in God.

## Thinking about going to Guatemala?

Some things to think about if going to Guatemala is intriguing to you! I have had a few conversations with those that are interested in maybe going to Guatemala in November. I know that we are a long way out, but we wanted to get it on the calendar so that we can plan accordingly. Here are a few things for you to think about:

- 1) Pray about it. Ask God if he wants you to participate in this mission opportunity.
- 2) Look at your calendar and see if the timeframe works. (If needed, plan the time off)
- 3) If you don't have a passport, apply for it, and if you have one, make sure it is updated.
- 4) Talk to a few people to see if they think it is a good idea for you to go.
- 5) Pray about it. A lot!

If you are interested, please let us know. We will have an informational meeting in July to get those that have a deeper interest, the information that will be needed.
