McKenna's World Race

I Left Guatemala!

I am now in Romania and reflecting on my time in Guatemala and all I can do is smile. The three months I was there were fruitful in so many ways! God worked vastly in the lives of those I served, as well as me and my squads' lives. Through the good days and the bad, God never failed to show his faithfulness.

WE ARE BETHEL - Membership Class

Why be a church member?

Church membership is about the responsibility and investment of being a member of the body of Christ.

1 Corinthians 12:14, 18-20, 26-27

Indeed, the body is not one part but many...18 But as it is, God has arranged each one of the parts in the body just as he wanted. 19 And if they were all the same part, where would the body be? 20 As it is, there are many parts, but one body...26 So if one member suffers, all the members suffer with it; if one member is honored, all the members rejoice with it. 27 Now you are the body of Christ, and individual members of it (CSB).

Being a member of a local church is about understanding your role in being a disciple-maker in the mission of Christ. Membership is about being surrendered to Jesus and involved in his mission to reach the world with the Gospel!

We have a membership class coming up on February 19 @ 12:00 pm - with lunch provided! We would love to have you join in and find out all about what it means to be a member here at Bethel! You can register for the class at: [We Are Bethel Membership Registration](#)
