Date of Message: 6/19/22

Title of Message:
Transfigured
Main Text: Mark 9:1-13

Connection Group Questions:

Opening up: Can you think of a time when you experienced a mistaken identity?

Digging in: Mark 9:1-13

- How was the identity of Jesus revealed in this passage? What are some mistaken impressions we may have of Jesus?
- What about Jesus was changed in this passage? What was unchanged?
- Discuss how Jesus was the fulfillment of both the law-and the prophets. How do Moses and Elijah fit into the picture?
- What might Peter have been thinking when he blurted out that three shelters should be built? How do we minimize Jesus in some of our conversations?
- What do you make of God's command to listen to Jesus alone?
- How can we show Jesus as all God, and all man when we share him with others?

Making it yours:

- Who do you need to share Jesus with so that they can get a taste of heaven?

Prayer time:

- Pray for our Bethel family from the prayer sheets that are available.
- Pray for our community during Nebraskaland Days. Pray for safety and for all of us to have open eyes and ears for opportunities to share what God is doing.
- Pray for families that were touched by Brady Cone's presentation last week.
