May 2, 2021

Pastor Jim Strecker

Main Text: Ruth 1:11-22

Support Texts: Joshua 24:15, 1 Peter 5:8-9

1) Learning to love requires authenticity!

2) Learning to love requires a new way of living!

3) Learning to love requires relationships!

Three Questions to Consider:

- 1) In what ways are you living different from the culture because you follow Jesus? In what ways are you living the same as culture?**
- 2) How do you see God working in the blessings in your life? How do you see God working in your difficult times and struggles? How would the church be stronger if you shared both your blessings and your struggles?**
- 3) Who are you helping persevere in their faith? Who is helping you?**
